Division Supported Provincial Championships

The Division will support in full the transportation costs for students participating in Provincial Sports Championships. Accommodations will be supported at a rate of fifty dollars (\$50) per room per night, maximizing shared accommodations.

In the event that a Pine Creek School Division school is hosting a Provincial Sports Championship, the Division will support the event through a grant of up to \$650.00 for the purpose of equipment upgrades that will benefit the school during and after the hosted championship.

Schools will inform the Division of the purchases for which the grant was utilized.
