### **Workplace Safety and Health**

The Pine Creek School Division Division affirms its commitment to provide all students, staff, contractors, volunteers, and visitors to its facilities a safe and healthy environment in which to work and to learn. Senior administration recognizes the rights, roles, and responsibilities of all employees with respect to workplace safety and health; and accepts an overall responsibility to maintain a comprehensive workplace safety and health program. They are committed to the prevention of occupational injuries, illnesses and violence within the workplace, to the promotion of safety and health consciousness, and to the ongoing education of all employees with respect to relevant provincial legislation. Accordingly, senior administration recognizes that safety and health is 'everyone's responsibility', and therefore requires that all employees contribute to a safe and healthy environment.
