**Emergency Use of Buses**

The Transportation Supervisor or designate, Division or school administration, or local trustee may authorize the use of school division buses and drivers for evacuation purposes in the event of emergencies (i.e. floods, fires, chemical spills E.M.O. requests). While classes are in session, and if the health and safety of students are in jeopardy, the evacuation of students shall be a priority. A follow up written report of the emergency use shall be submitted to the Board.
