Criminal Record and Child abuse Registry checks

In the interest of the safety and well being of all students, Pine Creek School Division requires all persons offered employment of a casual, term or permanent nature with the Division to agree to a Child Abuse Registry Check through the Child and Family Services Branch and a Criminal Record Check through the Royal Canadian Mounted Police. Employment is conditional upon the results of these checks.

Child Abuse Registry Checks and Criminal Record Checks are also required of all persons acting as overnight or long term field trip volunteers, or volunteer coaches. The Division will assume the cost of the Criminal Record Check for volunteers.

The Board reserves the right to request renewal of the Criminal Record Checks and Child Abuse Registry documents at any time.
