

INDIVIDUALIZED PROGRAMS

Individual Education Plans

In keeping with the policy of the school division regarding student placement, Individual Education Plans are written for students when:

- The student has exceptional learning needs requiring student specific outcomes that are additions to, different from, or exceed the curricular outcomes
- The division receives Special Needs Funding LII or III
- The student is determined to be eligible for the English as an Additional Language (E) designation, the Modified (M) course designation, or the Individualized Programming (I) designation in Senior 1 to Senior 4.
