Policy](#)**Deviation from Regular Transportation**

In order to maintain control over passenger loads, and to protect the drivers and School Division in case of accidents resulting in personal injury, the following will apply if deviations from regular procedure are requested. Parents or guardians of the students concerned are to provide the school principal and the bus driver with written or verbal authorization if any of the following are requested: **Rev 13 Apr 04 (152)**

1. Students wishing to ride on another bus other than their regular bus route **Rev 13 Apr 04 (152)**
2. Town students wishing to ride a bus other than on extra-curricular trips.
3. Students wishing to travel any portion of the normal route by other means.

If alternate transportation arrangements are required for a period exceeding three school days (concurrent or intermittent), the request is subject to approval of the Transportation Supervisor.
