### **Private Property**

Buses are not to drive on private property unless specifically authorized annually by the school board for such reasons as - end of the route turnaround, bus safety, child disability.

In special cases, involving kindergarten, or grades 1 & 2 children, and upon request of the parents or guardians, where the residence is located a distance of 1/4 mile (1/2 km) or more from the road, yard pickup and discharge during the period of November 1st to April 1st, may be authorized by the Transportation Supervisor. In these instances, residents must guarantee a safe thoroughfare and turnaround for the bus. Notwithstanding the aforementioned, it is understood that drivers may use their discretion, on occasion, in the event of emergencies and severe weather conditions.
