**Open Campus - Senior IV**

Senior 3 and Senior 4 students may, with parental and the school principal's consent, have the option of leaving the school property during those periods of time that they do not have scheduled classes or supervised study periods. (Parental permission is mandatory for students under the age of majority.) Students who are of the age of majority do not require parental permission, but are still subject to all rules and regulations as set out by the Board and principal.
