

## 2.01 Distribution of Materials in Schools

### 2. School Administration - Administrative Procedure Manual

The distribution of any materials to students on school property by individuals from the public, school employees, or students is strictly prohibited unless approved by the Principal. Failure to obtain the Principal's permission to distribute materials may result in the confiscation of the materials. The principal shall be responsible to ban and confiscate any materials which shall be deemed offensive or contrary to the Mission, Vision, Beliefs, and/or Goals of the Pine Creek School Division.
