

A Report to the Community

The Year in Review: 2020-2021

Gladstone Elementary School had a very successful year despite all the changes we encountered. Our students and staff have been resilient and have shown the ability to be flexible and adaptable.

School Enrolment:

K-6 - 130

School Plan

Gladstone Elementary School has continued to focus on our school goals. These are:

1. Staff and students will work toward improving and promoting Literacy and Numeracy.
2. Authentic assessment techniques will be used to direct the educational needs of all students.
