

4.01 Independent Study Course

4. Instructions, Programs and Services - Administrative Procedure Manual

1. The school principal shall approve or reject applications for independent study courses. If the specific course or a similar course is offered in the school, and there is no timetable conflict, applications will not be approved for reimbursement of costs.
2. Students taking independent study courses will be assigned to a supervised area, or to a designated classroom for specific class periods. This will normally be equal to the time allotted to a course.
3. Normally, the division will sponsor only in the case of timetable conflict.
4. The principal has the right to withdraw students from independent study courses.
5. The division will reimburse initial tuition fees for approved courses from Manitoba Education which are successfully completed.
