

4.07 Instructional Material

4. Instructions, Programs and Services - Administrative Procedure Manual

The Pine Creek School Division recognizes the right of teachers and administrators to select resources in accordance with current trends in education and to make them available in the schools. The selection of material for use in the schools shall be in accordance with provincial curriculum and subject to professional judgment of teachers.

The Pine Creek School Division has following procedures when dealing with written concerns expressed about instructional material.

1. A parent has the right to request that his child not be exposed to specific material provided a written request is made to the principal concerned.
2. The final decision for instructional material shall rest with the Superintendent after careful examination and discussion of the material with school officials.

That no parent or group of parents has the right to determine the appropriateness of material for students other than their own child(ren).
