

## **PRESS RELEASE**

Date of Release: January 22, 2018

### **Transfer of Students and Staff from GES to WMCI**

Gladstone Elementary School has experienced recent challenges with finding enough space in their building and has been operating at maximum capacity. In contrast, enrolment at William Morton Collegiate has declined in recent years and projections indicate the decline will continue into the fall of 2018.

In consideration of these circumstances, the Pine Creek School Division Board of Trustees has approved the decision to transfer Gladstone Elementary School's Grade 7 and 8 students to the William Morton Collegiate beginning September 2018. Gladstone Elementary School will become a K-6 school.

The transfer of students comes with a slight teaching staff reassignment. Details in terms of timetables, teaching assignments and other relevant information are in development and will be shared with involved personnel in due course.

A parent information night is scheduled and is open to all interested community members.

Date: April 10, 2018
