Independent Auditor's Report

To the Board of Trustees of Pine Creek School Division:

Opinion

We have audited the accompanying consolidated financial statements of Pine Creek School Division, which comprise the consolidated statement of financial position as at June 30, 2022, and the consolidated statements of revenue, expenses and accumulated surplus, change in net debt and cash flow for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, the consolidated financial statements present fairly, in all material respects, the consolidated financial position of Pine Creek School Division as at June 30, 2022 and the consolidated results of its operations and accumulated surplus, consolidated changes in net debt and its consolidated cash flow for the year then ended in accordance with Canadian generally accepted accounting principles established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Division in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Matters

Our audit was made for the purpose of forming an opinion on the consolidated financial statements taken as a whole. The supplementary information included in the other statements and reports is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and, in our opinion, is fairly stated in all material respects in relation to the consolidated financial statements taken as a whole.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian generally accepted accounting principles established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Division's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Division or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Division's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Independent Auditor's Report - Continued

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Division's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Division's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Division to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Division to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

MANAGEMENT REPORT

Management's Responsibility for the Financial Statements

The accompanying consolidated financial statements of Pine Creek School Division are the responsibility of the Division management and have been prepared in compliance with legislation, and in accordance with generally accepted accounting principles established by the Public Sector Accounting Board of The Chartered Professional Accountants (CPA) of Canada. A summary of the significant accounting policies is described in Note 2 to the consolidated financial statements.

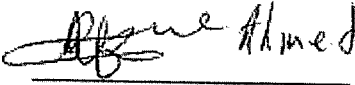

The preparation of consolidated financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods. Division management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the consolidated financial statements. These systems are monitored and evaluated by management.

The Board of Trustees of the Division met with management and the external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the consolidated financial statements.

The consolidated financial statements have been audited by MNP LLP, independent external auditors appointed by the Board. The accompanying Auditor's Report outlines their responsibilities, the scope of their examination and their opinion on the Division's consolidated financial statements.

Mr. Nizamani
Pine Creek School Division
Box 420
25 Brown Street
Gladstone, MB R0J 0T0

Dear Mr. Nizamani:

Management letter for the year ended June 30, 2022

We have recently completed our audit of Pine Creek School Division in accordance with Canadian generally accepted auditing standards ("GAAS"). The objective of our audit was to express an opinion on the consolidated financial statements, which have been prepared in accordance with Canadian public sector accounting standards. Included in our audit was the consideration of the system of internal control. This consideration of the system of internal control was for the purpose of designing audit procedures that were appropriate in the circumstances. It was not for the purpose of expressing an opinion on the effectiveness of the system of internal control or for identifying all significant control deficiencies that might exist.

An audit is not specifically designed to identify all matters that may be of interest to management in discharging its responsibilities, however, during the course of our audit, we did, identify some areas for improvement that we are bringing to your attention with this letter. It is our responsibility to communicate any significant deficiencies identified to those charged with governance. A significant deficiency in internal control is defined as a deficiency or combination of deficiencies in internal control that, in the auditor's professional judgment, is of sufficient importance to merit the attention of those charged with governance.

Bank Reconciliation Adjustments

Observation:

Bank reconciliations contain reconciling adjustments that were not investigated. It was observed that \$2,120 from a stop payment at the Credit Union was still outstanding from prior year.

Impact:

Neglecting to investigate reconciling items could potentially cause mistakes in financial reporting or misappropriated funds could easily go undetected.

Recommendation:

We recommend that all material reconciling items be investigated on a timely basis so that errors, adjustments or breakdown in controls can be identified and corrective action taken.

Approval of cheques in board meeting minutes

Observation:

The minutes of Board meetings include only the cheque batch approval without listing the cheque sequence approved. It was also noted that some cheque batches were missed being approved.

Impact:

Records of these cheque listings being approved can be crucial in the event of future legal matters or in the case of inappropriate disbursements.

Recommendation:

We recommend that the Board review and approve the cheque batches as well as list the cheque sequences and total of the batch in the minutes of the Board meetings.

We have discussed the matters in this letter with Mr. Nizamani and received his comments thereon.

We would like to express our appreciation for the co-operation and assistance we have received during the course of our audit from Mr. Nizamani and staff.

We would be pleased to discuss with you further any matters mentioned in this letter at your convenience. This communication is prepared solely for the information of management and is not intended for any other purpose. We accept no responsibility to any third party who uses this communication.

Sincerely,

MNP LLP

**PINE CREEK SCHOOL DIVISION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2022**

1. Nature of Organization and Economic Dependence

The Pine Creek School Division (Division) is a public body that provides education services to residents within its geographic location. The Division is funded mainly by grants from the Province of Manitoba (Province), and a special levy on the property assessment included in the Division's boundaries. The Division is exempt from income tax and is a registered charity under the Income Tax Act.

The Division is economically dependent on the Province for the majority of its revenue and capital financing requirements. Without this funding, the Division would not be able to continue its operations.

2. Significant Accounting Policies

The consolidated financial statements have been prepared by management in accordance with Canadian generally accepted accounting principles established by PSAB of the Chartered Professional Accountants (CPA) of Canada.

a) Reporting Entity and Consolidation

The consolidated financial statements reflect the assets, liabilities, revenues and expenses of the operating fund, capital fund, and special purpose fund of the Pine Creek School Division. The Division reporting entity includes school generated funds.

All inter-fund accounts and transactions are eliminated upon consolidation.

b) Trust funds

The Division administers various trust funds. Trust funds and their related operations are not included in the consolidated financial statements as they are not owned or controlled by the Division. A schedule of trust funds is attached as part of the notes to the consolidated financial statements.

Trust funds, under PSAB are properties assigned to a trustee (school division) under a trust agreement or statute; the trustee merely administers the terms and conditions embodied in the agreement, and it has no unilateral authority to change the conditions set out in the trust indenture.

c) Basis of Accounting

Revenues and expenses are reported on the accrual basis of accounting except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable. The accrual basis of accounting recognizes revenues as they are earned and measurable; expenses are recognized as they are incurred and measurable as a result of the receipt of goods or services and the creation of a legal obligation to pay. Expenses also include the amortization of tangible capital assets.

d) Fund Accounting

The fund method of accounting is employed by the Division to record financial transactions in separate funds as defined by Financial Reporting and Accounting in Manitoba Education (FRAME) in accordance with the purpose for which the funds have been created.

The Operating Fund is maintained to record all the day to day operating revenues and expenses. The Capital Fund is used to account for the acquisition, amortization, disposal and financing of capital assets. The Special Purpose Fund is used to account for school generated funds and charitable foundations controlled by the Division.

e) School Generated Funds

School generated funds are moneys raised by the school, or under the auspices of the school, through extra-curricular activities for the sole use of the school that the principal of each school, subject to the rules of the school board, may raise, hold, administer and expend for the purposes of the school.

Only revenue and expenses of school generated funds controlled by the Division are included in the Consolidated Statement of Revenue, Expenses and Accumulated Surplus. To be deemed as controlled, a school must have the unilateral authority to make the decisions as to when, how and on what the funds are to be spent.

Period end cash balances of all school generated funds are included in the Consolidated Statement of Financial Position. The uncontrolled portion of this amount is reflected in the School Generated Funds Liability account. Examples of uncontrolled school generated funds are parent council funds, other parent group funds, student council funds and travel club funds. Revenues and expenses of uncontrolled school generated funds are not included in the consolidated financial statements.

f) Tangible Capital Assets

Tangible capital assets are non-financial assets that are used by the Division to provide services to the public and have an economic life beyond one fiscal year. Tangible capital assets include land, buildings, buses, other vehicles, furniture and equipment, computers, capital leases, leasehold improvements, and assets under construction.

To be classified as tangible capital assets, each asset other than land must individually meet the capitalization threshold for its class as prescribed by FRAME.

Asset Description	Capitalization Threshold	Estimated Useful Life (years)
Land Improvements	50,000	10
Buildings – brick, mortar and steel	50,000	40
Buildings – wood frame	50,000	25
School buses	50,000	10
Vehicles	10,000	5
Equipment	10,000	5
Network Infrastructure	25,000	10
Computer Hardware, Servers & Peripherals	10,000	4
Computer Software	10,000	4
Furniture & Fixtures	10,000	10
Leasehold Improvements	25,000	Over term of lease

Grouping of assets is not permitted except for computer work stations.

With the exception of land, donated capital assets and capital leases, all tangible capital assets, are recorded at historical cost, which includes purchase price, installation costs and other costs incurred to put the asset into service.

Buildings are recorded at historical cost when known. For buildings acquired prior to June 30, 2005 where the actual cost was not known, the replacement value for insurance purposes as at June 30, 2005 was regressed to the date of acquisition using a regression index based on Southam and CanaData construction cost indices.

Capital leases are recorded at the present value of the minimum lease payments excluding executory costs (e.g. insurance, maintenance costs, etc.). The discount rate used to determine the present value of the lease payments is the lower of the Division's rate for incremental borrowing or the interest rate implicit in the lease.

Donated tangible capital assets are recorded at fair market value at the date of donation. Deferred revenue is recorded in an equivalent amount, for all donated assets except land. The deferred revenue will be recognized as revenue over the useful life of the related asset, on the same basis that the asset is amortized.

All land acquired prior to June 30, 2006 has been valued by the Crown Lands and Property Agency.

All tangible capital assets, except for land, capital leases, and assets under construction, are amortized on a straight-line basis over their estimated useful lives as prescribed by FRAME. Land is not amortized. Capital leases with lease terms that have a bargain purchase option or allow ownership to pass to the Division are amortized over the useful life of the asset class. All other capital leases are amortized over the lesser of the lease term and the useful life of the asset class.

One-half of the annual amortization is charged in the year of acquisition and in the year of disposal if not fully amortized.

Assets under construction are not amortized until the date of substantial completion. Interest on funds used to finance school buildings under construction is capitalized for the periods preceding the date of substantial completion.

g) Employee Future Benefits

The Province of Manitoba pays the employer portion of the Teachers' Retirement Allowances Fund (TRAF), the pension plan for all certified teachers of the Division. The Division does not contribute to TRAF, and no costs relating to this plan are included in the Division's financial statements.

However, the Division provides other future benefits to its employees. These benefits include supplemental employment benefits and sick leave. These benefits are event driven and the costs are recognized when the event becomes known. Effective in the 2011/2012 fiscal year, expected future payment on non-vested accumulated sick leave benefits for employees based on estimated sick days that will be used over earned per year has been set up as a future benefit.

h) Capital Reserve

Certain amounts, as approved by the Board of Trustees and the Public Schools Finance Board (PSFB), have been set aside in reserve accounts for future capital purposes. These Capital Reserve accounts are internally restricted funds that form part of the Accumulated Surplus presented in the Consolidated Statement of Financial Position.

i) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period.

j) Financial instruments

There are no significant terms and conditions related to financial instruments (cash, accounts receivable, investments, bank indebtedness, accounts payable and long-term debt) that may affect the amount, timing and certainty of future cash flows. The Division is exposed to credit risk from the potential non-payment of accounts receivable. However, the majority of the receivables are from local, provincial and federal governments, and therefore, the credit risk is minimal. The carrying amounts of the financial instruments approximate their carrying values, unless otherwise noted.

k) Liability for Contaminated Sites

The Division has adopted PS3260 Liability for Contaminated Sites effective March 31, 2015. No sites have been identified and no liability has been established in Pine Creek School Division.

3. Overdraft

The Division has an authorized line of credit with Stride Credit Union of \$4,000,000 by way of overdrafts and is repayable on demand at prime less 0.25%; interest is paid monthly. Overdrafts are secured by borrowing by-law.

4. Employee Future Benefits

Employee Future Benefits are benefits earned by employees in the current period, but will not be paid out until future periods and include vacation accrual, supplemental employment and sick leave benefits. As well, expected future payment on non-vested accumulated sick leave benefits for employees based on estimated sick days that will be used over earned per year has been set up as a future benefit.

5. Deferred Revenue

The deferral method of accounting is used for revenues received that, pursuant to legislation, regulation or agreement, may only be used for specific purposes. These amounts are recognized as revenue in the fiscal year the related expenses are incurred or services performed. The following is a breakdown of the account balance:

	Balance as at June 30, 2021	Additions in the period	Revenue recognized in the period	Balance as at June 30, 2022
Teachers Idea Fund	\$ 0	\$ 18,122	\$ 0	\$ 18,122

6. Borrowings from the Provincial Government

The borrowings from the Provincial Government of the Division are in the form of twenty-year debentures and promissory notes payable, principal and interest, in twenty equal yearly installments and maturing at various dates from 2023 to 2042. Payment of principal and interest is funded entirely by grants from the Province of Manitoba, except for the debt on self-funded capital projects. The debentures and promissory notes carry interest rates that range from 2.25% to 6.500%.

Debenture and promissory note interest expense payable as at June 30, 2022, is accrued and recorded in Accrued Interest Payable, and a grant in an amount equal to the interest accrued on provincially funded debentures and promissory notes is recorded in Due from the Provincial Government. The future debenture and promissory note principal and interest repayments are:

	<u>Principal</u>	<u>Interest</u>	<u>Total</u>

9. Municipal Government – Property Tax and related Due from Municipal Government

Education property tax or Special Levy is raised as the Division's contribution to the cost of providing public education for the students resident in the division. The Municipal Government-Property Tax shown on the consolidated revenue and expense statement is raised over the two calendar (tax) years; 49.50% from 2021 tax year and 50.50% from 2022 tax year. Below are the related revenue and receivable amounts:

12. COVID-19 Impact on Operations

COVID-19 (coronavirus) pandemic continues to have a significant impact on business through the restrictions put in place by the Canadian federal, provincial and municipal governments regarding travel, business operations and isolation/quarantine orders. At this time, it is unknown the extent of the impact of the COVID-19 outbreak may have on the Division as this will depend on the future developments that are highly uncertain and that cannot be predicted with confidence. These uncertainties arise from the inability to predict the ultimate geographic spread of the disease, and the duration of the outbreak, including the duration of travel restrictions, business closures or disruptions, and quarantine/isolation measures that are currently, or may be put, in place by Canada and other countries to fight the virus.

To the Board of Trustees of Pine Creek School Division:

Opinion

We have audited the Public Sector Compensation Disclosure Report greater than or equal to \$75,000 of Pine Creek School Division (the "Division") for the year ended December 31, 2022.

In our opinion, the accompanying Public Sector Compensation Disclosure Report of the Division for the year ended December 31, 2022 is prepared, in all material respects, in accordance with Section 2(1) of the Public Sector Compensation Disclosure Act.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Public Sector Compensation Disclosure Report section of our report. We are independent of the Division in accordance with the ethical requirements that are relevant to our audit of the Public Sector Compensation Disclosure Report in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Public Sector Compensation Disclosure Report

Management is responsible for the preparation of the Public Sector Compensation Disclosure Report, in accordance with Section 2(1) of the Public Sector Compensation Disclosure Act, and for such internal control as management determines is necessary to enable the preparation of the Public Sector Compensation Disclosure Report that is free from material misstatement, whether due to fraud or error.

Those charged with governance are responsible for overseeing the Division's financial reporting process.

Auditor's Responsibilities for the Audit of the Public Sector Compensation Disclosure Report

Our objectives are to obtain reasonable assurance about whether the Public Sector Compensation Disclosure Report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Public Sector Compensation Disclosure Report.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Public Sector Compensation Disclosure Report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Independent Auditor's Report - Continued

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Division's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates, if any, and related disclosures made by management.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Division to express an opinion on the Public Sector Compensation Disclosure Report. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
